OBJECTIVE

Entry-level Java Backend Developer currently pursuing MCA, with strong hands-on experience in Java, Spring Boot, RESTful APIs, PostgreSQL, and ReactJS (Basic). Seeking an opportunity to contribute to real-world backend applications while continuously enhancing technical and problem-solving skills.

EDUCATION

Master of Computer Application (MCA) | 2024 – 2026
University of Mumbai - Swayam Siddhi Mitra Sangh's College of Management & Research, Thane
CGPA: 6.60 (Till 3rd Sem) | Sem I: 7.75 | Sem II: 7.76 | Sem III: 6.61
Bachelor of Computer Application (BCA) | 2021 – 2024
SRTM University, Nanded - Vasant Kale College of Computational & Management Sciences, Nanded
CGPA: 8.56
HSC (64.77%) | SSC (62.80%) Maharashtra State Board – Nanded

TECHNICAL SKILLS

Java: OOP, Collections Framework, Exception Handling, Multithreading
Frameworks: Spring Framework, Spring Boot, Spring Data JPA
Frontend: ReactJS (Basic), HTML, CSS
Database: PostgreSQL
Concepts: JDBC, RESTful API Development
Tools: IntelliJ IDEA, Eclipse, Postman, GitHub

ACADEMIC PROJECT

Full-Stack Shopping Application (Amazon-Inspired) | GitHub
- Built RESTful APIs for user, product, cart, and order management
- Implemented layered architecture with Spring Boot & Spring Data JPA
- Designed relational database schema and role-based access
- Integrated ReactJS frontend with Spring Boot backend
  Key Features: Login, product listing, add-to-cart, mock checkout, admin inventory

INTERNSHIP

Java Full Stack Intern — Humming Byte Technologies | Jan 2026 – Present
- Developing Spring Boot REST APIs and backend modules
- Performing CRUD operations using PostgreSQL
- Integrating backend services with frontend components

CERTIFICATIONS

Full Stack Development - Coding Seekho (Ongoing)
Java Programming - NPTEL (Swayam)

EXTRA-CURRICULAR ACTIVITIES

Hosted the college Fresher's Party as lead anchor, engaging an audience of 100+ students
Participated in a college Ramp Walk competition, performing confidently before 1000+ attendees
